

Casefeed Adapter for Dillon XL650/XL750 (.380 / White - 11573)

Restore or upgrade your feeding system with OEM precision. The Armanov Casefeed Adapter is a high-precision component custom-engineered for Dillon XL650 and XL750 progressive reloading presses.

Manufactured from heavy-duty, industrial-grade 3D-printed PETG, this adapter replicates the exact factory dimensions of the original Dillon Precision part. This ensures a seamless, drop-in integration and provides the consistent, rock-solid reliability you need to keep your brass feeding smoothly into the press without catching or binding.

Attributes

- Name: Casefeed Adapter for Dillon XL650/XL750 (.380 / White - 11573)
- Manufacturer: ARMANOV
- Product no.: EU2018305
- Mfr. No.: CFAD1-WH1
- Colour: White
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Casefeed Adapter for Dillon XL650/XL750 Safety Instruction Guide

Introduction

Thank you for choosing the Casefeed Adapter for Dillon XL650/XL750. This highprecision component is designed to enhance your reloading experience. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the Casefeed Adapter is used only with Dillon XL650 and XL750 progressive reloading presses.
- Always handle the adapter with care to avoid damage.
- Keep the adapter out of reach of children and pets.
- Regularly inspect the adapter for wear or damage before each use.
- If any part of the adapter is damaged, discontinue use immediately and replace it.
- Follow all local regulations and guidelines for reloading and ammunition handling.

Specific Safety Precautions for Use

- Use the adapter only for its intended purpose; do not modify it.
- Ensure that the adapter is properly installed and secured before use.
- Do not overload the reloading press beyond its specified capacity.
- Avoid wearing loose clothing or jewelry that could get caught during operation.
- Always keep your workspace clean and organized to prevent accidents.
- Be aware of your surroundings and ensure that no one is in close proximity while operating the reloading press.

Instructions for Installation and Usage

Installation

1. **Prepare Your Equipment:** Ensure your Dillon XL650 or XL750 is turned off and unplugged.
2. **Remove Existing Parts:** If applicable, remove any existing casefeed components from your reloading press.
3. **Install the Adapter:**
 - Align the Casefeed Adapter with the designated mounting points on your Dillon press.
 - Gently press the adapter into place until it is securely seated.
4. **Check Alignment:** Ensure that the adapter is aligned correctly and that there are no gaps.
5. **Test Installation:** Before reloading, perform a test run without any materials to ensure that the adapter functions smoothly.

Usage

1. **Prepare Cases:** Ensure that your brass cases are clean and free from debris.
2. **Load Cases:** Place the cases into the adapter's feeding mechanism according to the manufacturer's instructions.
3. **Start Reloading:** Turn on the Dillon press and begin the reloading process, monitoring the operation for any irregularities.
4. **Monitor Performance:** Keep an eye on the feeding process; if cases become jammed or misaligned, stop the press immediately and rectify the issue.
5. **PostUse Maintenance:** After reloading, clean the adapter and check for any wear or damage.

Disposal Instructions

- Dispose of the Casefeed Adapter in accordance with local waste disposal regulations.
- Do not incinerate or expose the adapter to extreme heat.
- If the adapter is damaged beyond repair, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Casefeed Adapter, please consult the manufacturer's website or contact customer support through the provided channels. Ensure that you have the product details and any relevant information ready for assistance.

By following these guidelines, you can ensure the safe and effective use of your Casefeed Adapter for Dillon XL650/XL750. Thank you for prioritizing safety in your reloading practices.
