

Casefeed Adapter for Dillon XL650/XL750 (.480 Ruger / .500 S&W - 18494)

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Restore or upgrade your feeding system with OEM precision. The Armanov Casefeed Adapter is a high-precision component custom-engineered for Dillon XL650 and XL750 progressive reloading presses.

Manufactured from heavy-duty, industrial-grade 3D-printed PETG, this adapter replicates the exact factory dimensions of the original Dillon Precision part. This ensures a seamless, drop-in integration and provides the consistent, rock-solid reliability you need to keep your brass feeding smoothly into the press without catching or binding.

Safety Instruction Guide for the Casefeed Adapter for Dillon XL650/XL750

Introduction

Thank you for choosing the Casefeed Adapter for Dillon XL650/XL750. This product is designed to enhance your reloading experience by ensuring reliable feeding of brass into your press. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the product is used according to the manufacturer's instructions.
- Inspect the adapter before each use for any signs of wear or damage.
- Do not use the adapter with incompatible reloading presses or components.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the adapter is securely attached to the Dillon XL650 or XL750 before operation.
- Avoid overloading the reloading press, as this may cause the adapter to malfunction.
- Do not attempt to modify or repair the adapter; contact the manufacturer for support.
- Use only the recommended materials and components for reloading.
- Always wear appropriate safety gear, including eye protection, when operating the reloading press.
- Be aware of your surroundings and ensure that the work area is clear of hazards.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Dillon XL650 or XL750 is turned off and unplugged.
- Remove any existing casefeed components that may interfere with the installation.
- Align the Casefeed Adapter with the mounting points on the press.
- Gently press the adapter into place until it is securely fitted.
- Doublecheck that the adapter is firmly attached before proceeding.

2. Usage:

- Load the appropriate brass cases into the Casefeed Adapter.
- Turn on the Dillon XL650 or XL750 and begin the reloading process.
- Monitor the feeding of brass to ensure smooth operation; stop if any issues arise.
- After use, turn off and unplug the press before removing the adapter.

Disposal Instructions

- Dispose of the Casefeed Adapter in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste; check for recycling options.
- Ensure that the adapter is completely nonfunctional before disposal to prevent misuse.

Contact Information for Further Support

For any questions or concerns regarding the Casefeed Adapter for Dillon XL650/XL750, please refer to the manufacturer's contact information included with the product packaging.
