Armanov Casefeed Body Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Armanov Casefeed Body Bushing for Dillon XL650/XL750. This premium replacement part is designed to enhance the efficiency and reliability of your reloading process. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the bushing is compatible with your Dillon XL650 or XL750 reloading press before installation.
- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bushing for any signs of wear or damage before each use.
- Do not use the product if it appears damaged or if it is not functioning correctly.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the bushing with the specified Dillon XL650 or XL750 models.
- Do not modify the bushing in any way, as this may compromise safety and functionality.
- Ensure that your workspace is clean and free from clutter to prevent accidents during installation and usage.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when operating your reloading press.
- Be aware of your surroundings and ensure that no one is in close proximity when using the reloading press with the bushing installed.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged from the power source.
- Remove the existing bushing from the Casefeed Arm.
- Align the Armanov Casefeed Body Bushing with the mounting point on the Casefeed Arm.
- Press the bushing into place until it is securely fitted.
- Doublecheck that the bushing is properly installed before proceeding.

2. Usage:

- Once installed, test the functionality of the bushing by operating the reloading press without any ammunition.
- Observe the bushing for any irregular movements or sounds during operation.
- If any issues arise, stop using the press immediately and inspect the bushing for damage.

Disposal Instructions

- Dispose of the bushing in accordance with local regulations for plastic waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if facilities are available in your area.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the Armanov Casefeed Body Bushing, please reach out to the manufacturer or your point of purchase.

Thank you for prioritizing safety while using the Armanov Casefeed Body Bushing. Your attention to these guidelines helps ensure a safe and efficient reloading experience.
