

Dillon Debris-Out Casefeeder Adapter - Dillon Debris-Out Casefeeder Adapter (.45ACP)

This is an essential upgrade, as blockages inside the adapter tube can cause quite a few malfunctions. Small pieces of corn cob media often remain mixed with the brass and are carried down through the case feed tube. When they reach the narrower diameter of the adapter tube, they jam against the cases and cause a feeding malfunction. The Debris-Out Casefeeder Adapter replaces the original Dillon casefeeder adapter on your XL650 / XL750. Slots cut into the tube allow debris to fall out sideways into a small catch tray, significantly reducing the likelihood of jams.

Attributes

- Name: Dillon Debris-Out Casefeeder Adapter (.45ACP)
- Manufacturer: ARMANOV
- Product no.: EU2018333
- Mfr. No.: DEBCD45
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Dillon DebrisOut Casefeeder Adapter Safety Instructions

Introduction

Thank you for choosing the Dillon DebrisOut Casefeeder Adapter (.45ACP). This product is designed to enhance the performance of your XL650 / XL750 casefeeder by reducing the likelihood of jams caused by debris. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the adapter for any signs of wear or damage before use.
- In case of any malfunction, stop using the product immediately and consult a professional.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the adapter is compatible with your Dillon casefeeder model (XL650 / XL750) before installation.
- Do not attempt to modify or alter the adapter in any way.
- Avoid using the product in a wet or humid environment to prevent electrical hazards.
- Always wear appropriate safety gear, including eye protection, when operating reloading equipment.
- Be cautious of sharp edges on the adapter during handling and installation.
- Keep the area around the casefeeder clean and free from debris to minimize risks during operation.

Instructions for Installation and Usage

Installation Steps

1. **Preparation:** Ensure that the casefeeder is turned off and unplugged from any power source.
2. **Remove Original Adapter:** Carefully detach the original Dillon casefeeder adapter from your XL650 / XL750.
3. **Install DebrisOut Adapter:**
 - Align the DebrisOut Casefeeder Adapter with the mounting points on the casefeeder.
 - Securely attach the adapter, ensuring it is firmly in place.
4. **Check for Proper Fit:** Confirm that there are no gaps between the adapter and the casefeeder.

Usage Instructions

- Regularly monitor the performance of the DebrisOut Casefeeder Adapter during use.
- Observe the flow of cases and ensure that debris is falling into the catch tray as intended.
- If you notice any jams or blockages, stop the operation immediately and inspect the adapter.
- Clean the catch tray regularly to maintain optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and nonfood product disposal.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's website or contact your retailer for assistance.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance of your Dillon DebrisOut Casefeeder Adapter!
