

Dillon Debris-Out Casefeeder Adapter - Dillon Debris-Out Casefeeder Adapter (9x19 mm)

This is an essential upgrade, as blockages inside the adapter tube can cause quite a few malfunctions. Small pieces of corn cob media often remain mixed with the brass and are carried down through the case feed tube. When they reach the narrower diameter of the adapter tube, they jam against the cases and cause a feeding malfunction. The Debris-Out Casefeeder Adapter replaces the original Dillon casefeeder adapter on your XL650 / XL750. Slots cut into the tube allow debris to fall out sideways into a small catch tray, significantly reducing the likelihood of jams.

Attributes

- Name: Dillon Debris-Out Casefeeder Adapter (9x19 mm)
- Manufacturer: ARMANOV
- Product no.: EU2018334
- Mfr. No.: DEBCD9MM
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Dillon DebrisOut Casefeeder Adapter Safety Instruction Guide

Introduction

Thank you for choosing the Dillon DebrisOut Casefeeder Adapter. This product is designed to enhance the performance of your Dillon XL650 / XL750 case feeder by reducing the risk of malfunctions caused by debris. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you understand the product and its intended use before installation and operation.
- Always follow the manufacturer's instructions and safety guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the adapter for any signs of damage or wear.
- If you encounter any issues or malfunctions, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Avoid Blockages:** Regularly check the adapter tube for any blockages or debris buildup.
- **Use Compatible Media:** Only use recommended media for cleaning and maintenance to prevent damage.
- **Handle with Care:** When installing or removing the adapter, handle it gently to avoid damaging the tube or connections.
- **Proper Installation:** Ensure that the adapter is securely installed before operating the case feeder.
- **Monitor for Jams:** Pay attention while operating the case feeder. If you notice any jams, stop the machine and inspect the adapter.
- **Age Restrictions:** This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Disconnect the power supply to the case feeder before installation.
- Remove the original Dillon casefeeder adapter from your XL650 / XL750.
- Align the Dillon DebrisOut Casefeeder Adapter with the mounting points.
- Securely attach the adapter, ensuring it is properly seated.
- Reconnect the power supply.

2. Usage:

- Turn on the case feeder and monitor the operation.
- Regularly check the small catch tray for debris accumulation.
- If debris is present, stop the machine and empty the catch tray.
- Continue monitoring the operation for any signs of malfunction.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries or support regarding the Dillon DebrisOut Casefeeder Adapter, please contact your local distributor or manufacturer. Ensure you have the product details available for the best assistance.

Conclusion

By following this safety instruction guide, you can help ensure the safe and effective use of the Dillon DebrisOut Casefeeder Adapter. Always prioritize safety and compliance with relevant regulations. Thank you for your attention to these important guidelines.
